Welcome to Fort Hays State University located in Hays, Kansas. The University is home to about 5,000 students. Our Block and Bridle Club membership of 148 makes us the largest student organization on campus.

One of the first items of business for the new year was the introduction of a new club t-shirt. It represents the club's commitment to agriculture and the university.

1994 - 95 OFFICERS

This year Block and Bridle expanded its activities to help educate new members and increase our involvement in the community. With the leadership of President Robyn Carey, V. President Noel Ketzner, Secretary Del Hawkins, and Treasurer Brooke Lewis, we succeeded in meeting the objectives defined by the national organization.

ADVISORS

Dr. Mike B. Gould, Agriculture Dept. Chair always finds time to help the students with their many activities.

Dr. Sandra Johnson, Assistant Professor of Agriculture takes time out of her busy schedule to join members in intramural activities.

Kevin Huser, Manager of the FHSU Sheep and Swine Unit and Livestock Judging Coach always helps organize the various judging contests that Block and Bridle host.

Minutes of the August 24, 1994 Meeting

The first meeting of Block and Bridle for the 1994-1995 school year was called to order August 24 by President Robyn Carey at the University Farm. Approximately 115 members and guests were present. Secretary Hawkins read the minutes from last meeting and Treasurer Lewis gave the treasurer's report of \$3,360.23 on campus and \$2,751.26 off campus. Next, the officers, advisors, and Agriculture Department faculty and staff introduced themselves. President Carey gave a brief explanation of what B&B did. Then all persons present introduced themselves to the club. Vice-President Ketzner explained our need for a new position to help the new initiates get acquainted. A motion was made and passed to establish an Executive Chairman of the New Initiates. A proceeding vote elected Kim Riemann for this position. It was stated that dues were \$5 for established members and \$10 for new members payable by September 14. Eric Dexter showed off the new B&B teeshirts and explained how to order them. It was brought up by Dr. Gould that we needed volunteers to work the FHSU booth at the state fair. Then President Carey explained the Walk For Heart money drive happening September 17 and suggested our group participate. Jon Kelty spoke about the dairy judging contest on the 13 of September. He said he would have a sign up sheet for workers at the next meeting. Dustin Lantow spoke on behalf of Student Government and encouraged everyone to get involved. The new initiates were asked to meet after the meeting for instructions about the initiation B's. The meeting was adjourned. Approximately 40 new initiates met with the officers after adjournment to receive their initiation B's which were to be signed by every club member. A sausage burger meal was served and everyone enjoyed a festive evening.

The first meeting of each school year is held at the University farm. A barbecue completes the evening as members, new and old, enjoy themselves and get acquainted.

Block & Bridle meeting

Block & Bridle will have its first meeting at 7 tomorrow night at the Dairy Farm.

Members listen intently as Robyn outlines the upcoming year's activities.

While waiting for one of our weekly/bi-monthly meetings, members catch up on the latest gossip.

"Would you please put the camera down and come eat!!!"

Right-Members chow down at the end of the year barbecue.

BACK TO SCHOOL PICNIC

Fort Hays State University depends on Block and Bridle every year to serve the All School Back to School Picnic. Its the first activity of the year and B&B is responsible for the set-up and serving. The event allows students and faculty to mingle with the community.

Picnic kicks off new school year

A blanket or a lawn chair is all people will need to bring to the 10th annual Fort Hays State University Family Picnic which kicks off the 1994-95 school year Monday night from 5 p.m. to 7 p.m..

New and returning students, as well as the public, are invited to attend the picnic which will be located in the quad area just to the east of the Memorial Union.

People attending will be treated to a meal of Barbeque beef, cole slaw,

baked beans, watermelon and Pepsi.

The meal costs \$1.50 for the public and is free for students on the Professional Food Management meal plan.

Food will be served from 5 p.m. to 6:30 p.m.

The Blue Healers, a local rock band, will provide live music from 5-7 p.m. Numerous school organizations will have displays and will discuss their activities with interested students.

This is the only event at FHSU to

allow students to study various school organizations all in one location.

If it rains on Monday, the picnic will be rescheduled for Monday August 29 on the quad or in the Memorial Union.

The picnic is sponsored by the Student Government Association, the University Activities Board (UAB), BACCHUS, Professional Food Management (PFM), the Block and Bridle Club, the FHSU Athletic Department, and Pepsi Cola.

TOPIC: FHSU Family Picnic

I want to thank all of the groups and individuals who did such an excellent job in putting together and running the tenth annual picnic. Approximately 500 paid people attended this year.

Everything runs smoothly because everyone does their job in the right manor and on time. Putting on this picnic would be quite a task if one person or group had to do it, but this way it is not a burden on anyone.

If you have any particular problems that you would like me to know about please call, otherwise, thanks again, and see you in late Spring to look towards 1995.

cc. Dr. Jim Dawson

KANSAS STATE FAIR

The first weekend of the Kansas State Fair Block and Bridle mans the Fort Hays State Recruiting Booth. By promoting the university, Block and Bridle and the Agriculture Department, the members get the chance to share what Fort Hays and western Kansas has to offer.

ENDOWMENT TELETHON

Every fall, the Fort Hays State Endowment Association sponsors a telethon to help raise scholarship funds. Block and Bridle actively participates with student callers. For our efforts Block and Bridle received top organization honors. Members Jennifer Watkins and Eric Dexter received top student honors.

Above-Dr. Gould encouraged Jared and Jamie to keep up the good work.

Right-Eric completes another successful donation call.

AG AWARENESS DAY

Ag Awareness Day allows members the opportunity to get involved with over 1000 area pre-school and grade school students. Block and Bridle sponsors the day to educate the children about different species of animals and their uses in every day life. Everyone has a great time and we have a lot of positive feedback.

Thank you!

Dear Block and Bridle Club,

Thanks for touring us around the farm. Our tour guide was Jerod. I like seeing all of the cool animals and things you have. My favorite was seeing the pigs. Thanks for giving us milk. Thanks for letting us come on Agriculture Day.

Sincerely,
Ryan Ruehlen

The most talked about incident of the day was when Kathy Huser, Dairy Herdsman, was at the wrong end of the cow at the wrong time.

Thank you!

Dear Bloss and Bridle Club,

Thank you for your fantastic tour. I really learned a lot of new exciting things.

I feel bad for the girl that got messed on. That must have been uncomfortable.

I really hope I can come back again. That was neat how you used that big shaver to shave the sheep. They look a lot better with their haircuts. I didn't know cows could rub as much as you said. The sheep are really soft and cuddly.

Sincerely,
Jude Fox

AMERICAN HEART WALK

Hays Heart Walk results announced

The American Heart Walk in Hays on Sept. 7 raised more than \$6,500, according to a report released today.

Team captains and industry leaders will receive recognition for their efforts at a reception from 5 to 6 p.m. today at Innovative Innerspace, 1501 E. 27th.

Nearly 250 people participated in the walk, sponsored by the American Heart Association.

Proceeds will fund public and professional education, as well as research at the University of Kansas Medical Center, Kansas State University, the University of Kansas and other institutions throughout the Kansas Affiliate.

Block and Bridle received 2nd high organization as a result of our efforts in the American Heart Walk.

SPEAKERS

A new activity added to increase our education was inviting guest speakers to our meetings. We had the pleasure of hosting Rich Hawkins, Farm Director for KRVN Radio in Lexington, Nebraska and Kent Anderson, Director of Research and Development for the North American Limosine Foundation.

BEHIND THE SCENES

Hosting judging contests is a major activity of the Block and Bridle club. Each year we hold at least three judging contests. Many hours and many members are involved with each contest.

The day begins early with registration. Dr. Brower helps Rakel and Amy take in the teams' information.

Coaches receive packets of information for their teams at the registration table.

Dr. Spaulding donates his time and computer expertise to the tabulation room during the contests.

Dr. Johnson and Dr. Brower double check the results during a judging contest.

It takes a lot of food to feed hungry judges. Here members make sandwiches and prepare for the judges to come and get it.

Judgers go through the line and enjoy a balanced meal before beginning reasons.

Members must transport livestock to the arena and switch them between rounds.

Way to move those hogs to everyone can see Dave!

Group leaders are responsible for making sure the judges behave professionally while judging. Here Aaron collects the cards.

Melissa double checks to make sure that she is getting the right card.

Jon decides that after the 12th class he needs a break.

Former members of the FHSU Livestock Judging Team often serve as officials for the contests. *Above*-the 1994 team is being briefed before reasons. *Below*-Noel critiques a class and gives the official placing.

Members used their showing and clipping skills to give contestants the best views of the the animals and provide a more challenging contest.

Awards were presented at a banquet for all of the contests involved with the NACTA conference.

Dr. Virgil Howe, Dean of Biological and Life Sciences, addresses the contestants on the final day of competition.

Dr. Greg Johnson, Instructor and Livestock Judging coach for the Hutchinson Community College imparts a few words of wisdom.

Dr. Johnson opens the awards banquet with a few words of welcome.

Dr. Brower and Kevin Huser hand out awards during the banquet.

The NACTA Contest ended with a dance. Officials Jon Herbel and Tammy Hodkens lead everyone in the Chicken Dance. Everyone had a great time and made new friends.

CLUB SPONSORED EVENTS

- **Intramural sports**
- **Christmas Dance**
- **Little International**

INTRAMURAL SPORTS

Throughout the year club members participate in several intramural activities. Stephanie and Mitch are competing in the Intramural Rodeo Barrel Race.

Steph shows the boys how to stay on a steer!

Even Dr. Johnson got in the spirit of Intramurals. During softball she showed us her graceful slide.

Above-Here members show their skills on the basketball court.

Below-Everyone watches the ball intently to be sure its going over the net.

CHRISTMAS DANCE

A favorite activity of members and alumni is the annual Christmas Dance. For members, it is their first chance to relax and enjoy themselves after a hectic fall of judging contests. Alumni return to see old friends and to encourage current members to keep up the good work.

Santa's helpers! Kyle, Warren, and Brad enjoy themselves before finals week.

Left-Jason models the latest in Christmas accessories while dancing the night away.

Below-Even our advisors cut loose every once in a while.

LITTLE INTERNATIONAL

April 8, 1995 the 22nd Little International Fitting and Showing Contest was held. The contest is open to all full-time students and participants spend many hours working with their animals preparing for the show.

NATIONAL BLOCK & BRIDLE CLUB

OUR BEGINNING

December 2, 1919, student representatives from four animal husbandry clubs met in Chicago and formed the National Block & Bridle Club. The local clubs became chapters in the new national organization. These charter chapters were Iowa, Kansas, Missouri and Nebraska. The roster of Block & Bridle clubs has since grown throughout the United States to ninety-three members.

The objectives of the organization are:

1. To promote higher scholastic standing among animal science students.
2. To promote animal science, especially all phases of animal science work in colleges & universities.
3. To bring about a closer relationship among students pursuing some phase of animal science as a profession.

THE EMBLEM

The perpendicular of the **B** represents straight moral characteristics, sincerity and honor. The two curves required to complete the letter **B** represent the fundamentals upon which we base our social pleasure, mental energy and moral force. The meat block represents the material aspects of our life. The bridle stands for the behavior of B&B members, the control over ourselves that we try to maintain, the mannerisms and respect we show toward others, and the way which we treat animals.

NAMA

The National Agri-Marketing Association (NAMA) is an organization of Fort Hays State University students and established business professionals involved in agriculture marketing, sales, journalism, and other related areas. The FHSU NAMA chapter was formed in the fall of 1993 by interested students and professors.

Throughout this past year, members have concentrated most of their time toward preparation of a marketing project, in which students have developed a marketing plan for a new hypothetical animal health product. Several chapter members recently presented this strategy to the professional members of the Great Plains NAMA Chapter in Hutchinson. In April, the NAMA student chapter will represent FHSU for the first time ever at the National Agri-Marketing student competition. A few students have had the opportunity to participate in the mentor program, which allows students to spend a day with a professional in their field of interest.

NAMA has proven to be very beneficial to students who are looking for employment; the organization has given them opportunities to speak with professionals one-on-one, thus enabling them to network with potential employers in the agriculture field.

President - Matt Baalman - Wichita, KS
Vice President - Travis Crites - Hays, KS
Secretary - Rakel Strecker - Spearville, KS
Treasurer - Todd Brummer - Tipton, KS
Advisors - Dr. Brent Spaulding
Dr. Earl Taylor

Delta Tau Alpha

The honor society of Delta Tau Alpha is at this moment attending the National Convention in Wilmington, OH. The organization will be participating in the Ag Quiz Bowl, Interview Contest, Corbus Book Competition (a yearbook of the chapter's activities), business meetings and social activities. Last year Clay Scott placed second in the Interview Contest and the chapter finished second in the Corbus Book Competition.

Over the past year, DTA has been very active both on and off campus. Last fall the chapter had a float in the Homecoming Parade, called alumni for the Endowment Telethon and kept 2-miles of adopted highway near Hays clean. This spring the 2nd Annual Ag Quiz Bowl was held with the team of Aaron Phelps, Darla Phelps, and Stephanie Helms being victorious. Membership this spring has grown to 26 members with the recent induction of 13 new initiates. Recently, the chapter volunteered a Saturday morning to help move books in the library. Plans are in the works for the Spring Picnic and other activities to close the 1994-95 school year.

As part of their initiation new members had wooden "B's" signed by club members and then decorated them. Here there are displayed at the banquet.

Above-Dr. Gould addresses the audience.

Left-Dr. Gould awards Robyn Carey with her hard earned President's buckle.

This year's banquet was dedicated to Rod Asher.

IT IS CUSTOMARY AT THE ANNUAL BLOCK AND BRIDLE AWARDS BANQUET TO RECOGNIZE THOSE INDIVIDUALS THAT HAVE NOT ONLY BEEN SUCCESSFUL IN THEIR SPECIES COMPETITION BUT ALSO TO RECOGNIZE THOSE INDIVIDUALS THAT HAVE GIVEN OF THEMSELVES AND THEIR TALENTS TO AN INDUSTRY OR A PARTICULAR ORGANIZATION. TONIGHT WE ARE DEDICATING THIS BLOCK AND BRIDLE BANQUET TO ROD ASHER, AN INDIVIDUAL THAT EXHIBITED ALL OF THE TRAITS THAT WINNERS ARE MADE OF AND YET WAS NOT TOTALLY SUCCESSFUL IN HIS COMPETITION FOR LIFE. LIKEWISE, WE ARE RECOGNIZING HIM NOT ONLY FOR WHAT HE GAVE TO US BUT ALSO FOR WHAT HE TOOK FROM US. HE TOOK AWAY A SENSE OF HUMOR THAT KNEW HOW TO LAUGH AND A SPIRIT THAT KNEW HOW TO CRY. BUT ROD, YOU GAVE US THE CHANCE TO TAKE AWAY OUR PETTY PROBLEMS, OUR DAILY CONTROVERSIES AND OUR TRIVIAL INCONVENIENCES AND ALLOWED US THE OPPORTUNITY TO APPRECIATE WHAT IS REALLY IMPORTANT.

AS ONE OF YOUR FAVORITES, BAXTER BLACK WROTE:

"A HUG OR A SHAKE, WHICHEVER SEEMS RIGHT
IS THE HIGH POINT OF GIVIN', I'LL TELL YA TONIGHT,
ALL WORLDLY RICHES AND TRIBUTES OF MEN
CAN'T HOLD A CANDLE TO THE WORTH OF A FRIEND"

YOU'VE GOT A NEW FRIEND NOWBUT THANKS FOR BEING
ONE OF OURS.
